To Whom It May Concern,

On behalf of the Undertaker, the Rockford Park District Foundation is accepting donations of cash and in-kind goods for his family outreach programs.

The "Undertaker" is a community advocate who has volunteered for over 35 years with the Rockford Park District. It started by volunteering music and D.J. services in return for a donation to serve children and families through holiday events beginning with the Halloween Haunted Trails at Lockwood Park. Since then, the Undertaker's outreach and programs have grown to serve well over 25,000 "underserved" youth with and without disabilities, seniors and families.

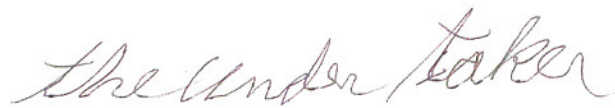

Through his various programs, the Undertaker seeks to reach those in need throughout Rockford and Winnebago County, providing opportunities to families and seniors that they might not otherwise have. The upcoming programs include holiday events that provide music, activities food and with your help candy.

We would appreciate your tax deductible donation of candy for the Undertaker to continue to serve the community with family friendly fun at no cost to those who attend. Please feel free to direct donations to:
